End Injunction Halting Ogle Tax Collection

Judge's Action Allows Lee, Ogle Tax Billings

OREGON—Circuit Judge Harry E. Wheat today dissolved a week-old injunction which had brought tax collecting machinery in Ogle and surrounding counties to a temporary halt.

Judge Wheat issued the injunction against collecting Flagg Township taxes after the township and three Rochelle individuals had sued the county over a 25 per cent tax multiplier, which they considered too high.

As a result, tax extension for the entire county was stopped. It also affected Lee County, because of numerous overlapping school and fire protection districts in the two counties. Other counties adjoining Ogle County also were affected.

Judge Wheat said his action this morning was to permit the county treasurer to extend taxes on the basis of the present multipliers in Ogle County townships. However, because Flagg Township had filed an objection, the judge ruled that 20 per cent of taxes collected in Flagg would be impounded by the county treasurer, pending the outcome of the suit.

Cancels Appeal Plans

Ogle County State's Attorney Wayne Bettner moved immediately after the injunction was granted last week toward an appeal in the state supreme court. He said Judge Wheat's action today had canceled his appeal plans.

The case now will return to the circuit court, Flagg township—with Rochelle containing about 70 per cent of taxable property— is to file an amended complaint with Judge Wheat, and the county, represented by Bettner, will have 90 days in which to file an answer before a hearing is held.

The case came about because Ogle County for the first time acted under a 1957 statute permitting the county board of review to fix tax multipliers by townships. Previously the state fixed the multiplier for the entire county, and many counties, including Lee, still use this system.

Added Full 25 Per Cent

The Ogle County board of review felt that Flagg Township property was so greatly underassessed that the board added the full 25 per cent multiplier allowed by law.

The multiplier is a percentage figure added to the assessed valuation of property to bring it as close as possible to 48 per cent of actual value.

When the injunction was issued, Lee County also was forced to halt

NEWSROOM NOTES — Earlier this week we mentioned public apathy which which has stalled the fight against polio. Another prime example is the attitude (or lack of it) shown toward Civil Defense.

The lack of interest on the part of the public is the toughest problem CD officials face. The blame can be split between the "It can't happen here" idea and the ostrich philosophy, "It may happen but it's so horrible I don't want to think about it."

Despite the lack of interest, a core of people who think it can happen here keep plugging away. If war or disaster come, they'll be the heroes.

* * *

Part of the national CD program is an annual exercise to allow all units to plan and practice the skills that would be needed in the chaotic aftermath of an attack or natural disaster.

This national alert, named OPAL-59, will be held April 17 and 18. On the first day, simulated nuclear bombs will hit Chicago and other Illinois industrial centers. Target cities include Rockford, Rock Island, Peoria, Springfield, East St. Louis, Decatur and Champaign-Urbana.

But the activity will not be confined to those targets. CD units throughout the state will be involved to handle the refugee problem. It's obvious that in the event of an attack on the cities surrounding Dixon — Chicago, Rockford and Rock Island — refugees would pour into the city. Without careful planning, we would have a lawless mess. With planning for traffic control, housing, feeding, and hospitalization of wounded, we could absorb much of the shock of a sneak attack or a disaster.

* * *

Dixon CD Director John Earle is working on plans for the operation. You'll hear more of the alert in the next two weeks.

Aiming for the widest possible cooperation by the public in the test, State CD Director Maj. Gen. Robert M. Woodward says:

"In the face of continued threats to the peace of the world by the Russians over Berlin and other areas, there is a constant need for the public and government officials to cooperate to the fullest in this test and to rehearse their specific disaster responsibilities."

Pecatonica River Edges Up Overnight

30 More Residents Evacuated From Flooded East Side Area

FREEPORT (AP)—Flood waters from the rising Pecatonica River drove 30 residents from their homes during the night.

The river edged up to 15.64 feet, the highest in 11 years. The Weather Bureau at Moline predicted it will crest at 16 to 17 feet. The record of 17 feet was set in 1937.

Police, manning 15 boats, evacuated 30 additional persons from the East Side flood area Thursday night. Five others had been moved out earlier.

The displaced persons were housed in the East Side Recreation center—and the basement of that building was flooded — and in the National Guard Armory.

Not Yet Called

Gov. Stratton authorized the use of National Guardsmen, but none has been called out thus far.

More than an inch of cold rain fell Thursday, adding to the flood woes. Many homes in the 30-block inundated area were without heat.

U.S. 20 east of Freeport was closed. Traffic was rerouted to State Highway 75.

Many wells were fouled. The city water department fixed faucets on fire hydrants to provide drinking water.

The Fairbanks, Morse & Co. plant was closed.

2 Flooded Towns

Flood water 1½ feet deep stood in the business district of McConnel, 8 miles north of Freeport.

Nine or 10 inches of water covered the business area of Winslow, 18 miles northwest of Freeport. Winslow has a population of 350.

Cruise Ship Lays Crash To Tanker

NEW YORK (AP)—The tanker Valchem, blamed by the Grace Line for Thursday's collision with the cruise liner Santa Rosa, was towed into a Brooklyn dock today for investigation by authorities and extensive repairs.

Coast Guard officers and officials of the T. J. Stevenson Co., managing agents for the tanker, immediately went aboard to question crew members about the 3 a.m. crash off Atlantic City, N.J.

Reporters were not permitted to board the vessel.

Eighteen crewmen were aboard the tanker as it came into port in tow by tugboats which brought it here from the collision scene some 75 miles to the south.

The crunching smashup brought death to four tanker crewmen but resulted only in a frightening jolt to the 247 Santa Rosa passengers returning from a Caribbean pleasure cruise.

A "radical course alteration" was made by the tanker, the Santa Rosa owners say. There was no immediate comment from the operators of the Valchem.

WATER TANK CRASHES THROUGH ROOF—View shows damage caused when huge water tank atop a Manhattan loft building crashed down through the roof Thursday in New York, injuring 11 persons. It smashed down through three floors. Three iron workers were repairing the tank supports at the building on West 26th Street when it came crashing down. It had been declared defective. River Continues To Rise in Dixon

Fair, Cold Weather Is Expected to Remain Here

Rock River continued to rise in Dixon today after rains which totaled more than an inch in the past two days. Volume of flow at the Dixon dam today was 15,200 cubic feet per second, compared with 13,135 Thursday. However, the volume was below the season's high of 17,500 reached last week.

Rainfall for the 24-hour period ending at 7 a.m. today was .57 inch. The previous period had .48. The rain changed to sleet and snow Thursday night, but a bright sun removed the thin blanket this morning.

To Continue

The fair weather which moved into the Dixon area is due to continue through Saturday. But temperatures will be cool—about 26 tonight, in the low 40s Saturday and in the upper 20s Saturday night.

The fair skies were general across the state.

But to the north and east, storms battered the country.

Heavy snow piled up in central Lower Michigan and Wisconsin.

The snow belt extended eastward across northern areas into New York state.

Snow Warnings

Heavy snow warnings were issued for parts of New England. Accumulations of 4 to 8 inches were predicted for parts of Massachusetts north to southern Maine. A fall of 2 to 5 inches was forecast for portions of New York state and wet snow was expected to bring hazardous driving conditions to Rhode Island and southern Connecticut.

Rains, severe thunderstorms and strong winds swept across many areas south of the snow belt.

Christmaslike Scene

The early spring snow carpet gave the northern areas a Christmaslike scene, two days before Easter.

Northeasterly winds of 20 to 30 m.p.h. whipped the snow into drifts as the storm lashed areas in Minnesota, Iowa, Wisconsin and Michigan Thursday.

Driving conditions were hazardous.

Foot in Wisconsin

Nearly a foot of snow was on the ground in La Crosse, Wis., while four inches fell in a six-hour period at Grand Rapids and

Teamsters Vote Against Borden Strike

Teamsters Union members employed at the Dixon Borden plant Thursday night voted against a proposed strike against the company.

The strike vote was called after contract negotiations broke down last week between the Central Conference of Teamsters and the company in meetings held in Chicago.

Local Borden employes have been working without a union contract since the previous one expired Dec. 31, 1958.

A proposed wage increase schedule offered by the company was acceptable to the union. Union bargainers objected to provisions sought by the company containing an agreement that disputed issues under the contract must be arbitrated and forbidding strikes or lockouts during the contract period.

Christian World Faithful Follow Way of Cross This Good Friday

By The Associated Press

The faithful of the Christian world followed the Way of the Cross on this Good Friday.

In the Jordan section of Jerusalem, pilgrims and tourists of many lands attended services at the Church of the Holy Sepulcher. Hundreds toiled up Jerusalem's narrow streets on the way to the Cross on Calvary where Jesus Christ was crucified.

Tenebrae services marking the death of Christ drew thousands of pilgrims to St. Peter's in Rome. Pope John XXIII, after taking part in services at Rome's Santa Croce Church, finished work on his Easter message, to be delivered to the world Saturday night.

Good Friday services were held in thousands of Protestant and Roman Catholic services in all Christian countries.

Honest Christianity

A leading American churchman said today honest Christianity does not subscribe to the rosy idea that "death comes as a friend."

In his annual Easter message, the Rev. Dr. Edwin T. Dahlberg, president of the National Council of Churches, said there is a modern tendency to dodge the hard truth about death.

The council he heads includes most major Protestant and Orthodox churches in Amercia.

Recalling Jesus' words, "I go to prepare a place for you; if it were not so, I would have told you," Dr. Dahlberg said:

"This makes it clear that Jesus had thought through all the possibilities of skepticism and unbelief as well as of faith. What He was saying in effect to the disciples was this: 'If there was no life after death, I would have said so.'

"Any religion that is realistic must reckon with doubt as well as with conviction. Christ was intellectually honest. So was the Apostle Paul. They did not subscribe to the rosy ideas that 'There is no death' or that 'Death comes as a friend.'"

Reported to Have Bled

In Konnersreuth, Germany, Therese Neumann today was reported to have bled again from wounds similar to those of Christ on the Cross, but some 9,000 pilgrims to this little Bavarian village were barred from her farmhouse.

Nearly every Good Friday for the past 33 years, crowds of visitors have filed past the woman's bed to see the stigmata, as the annual bleedings are called.

Miss Neumann is now 60, and the crowd was not allowed in because of her health.

Roman Catholic authorities have never officially recognized the stigmata of Miss Neumann, but neither have they advised that they were not genuine.

Rock Island Nurses Attend Charm School

ROCK ISLAND (AP) — St. Anthony's Hospital is sending its girls in white to charm school.

"Nurses can't vary their uniforms," says Mrs. Frank Brooks, director of curriculum at the hospital's school of nursing, "so they are being taught to make themselves more attractive by proper use of lipstick, a change of hair styling and personality development."

When a patient whistles at his nurse, it's a sure sign he's feeling better, says Mrs. Brooks.

Fire Destroys Corncrib, 8,000 Bushels Grain

POLO — Fire early this morning destroyed a corncrib containing about 4,500 bushels of corn and 3,500 bushels of oats on the George Haines farm, 5½ miles southwest of here.

Polo firemen said cause of the blaze apparently was a short circuit in wiring resulting from wind and rain rubbing wires together.

Discovered about 4:45 a.m. today by Mrs. Haines, the fire was fought by Polo, Dixon Rural and Milledgeville Fire Departments.

The building and its contents were covered partially by insurance. No damage estimate was given.

Detective Finds His Own Stolen Clothes

DETROIT (AP) — Detective Harold Sparkman had a particular interest in the breaking and entering case against James White, 26.

Investigating a cleaning plant theft, Sparkman said he found three pairs of pants of his own, plus his sports jacket and a suit, at White's Royal Oak Township home.

White was held in $2,000 bond on his plea of innocent.

Falls Off 8-Story Building, Bounces Onto Nearby Roof

DALLAS, Tex. (AP) — Marvin R. Harbor, 35, a painter, escaped with a leg injury Thursday when he fell from the roof of an eight-story building.

Harbor slipped and dangled by his fingertips for several minutes before losing his grip on the roof edge. As he fell he struck a cluster of electric wires two stories below. They bounced him onto the roof of an adjoining six-story biulding.

Bums' Santa Gets Income Tax Break

NEW YORK (AP) — A Brooklyn tavern owner who played Santa Claus to Bowery bums in the form of $20 bills got a break Thursday on a federal income tax evasion charge. He was fined instead of going to jail.

The tavern operator, Joseph Bonavita, now 51, handed out so much money — $3,500 — on Christmas Eve in 1946 that he was committed to Bellevue Hospital for psychiatric examination.

Later he was released and, until a few years ago, made annual yuletide trips to the Bowery to distribute funds to passers-by.

Bonavita already had paid the government $56,000 to cover taxes, interest and penalties he owed for the years 1952-55.

U.S. Dist. Judge Lee F. Reyfiel ordered Bonavita to pay an additional $2,000 fine, and placed him on six months' probation.

Ike Gets Out On Golf Course After 4 Months

GETTYSBURG, Pa. (AP) — A bit rusty but well pleased, President Eisenhower is once again a golfer — after a four-month lay-off.

"It sure feels good to get a round under your belt," he said Thursday after a trip around the Gettysburg Country Club course. He headed for the club shortly after arriving from Washington by helicopter for a long Easter weekend at his farm.

Until then Eisenhower hadn't played a regular round of golf since last November at Augusta, Ga.

That had set a record for the period since he became president in 1953 — barring an enforced five-month lay-off after his heart attack in 1955.

While Eisenhower was on the golf course, his wife traveled from Washington by automobile. Scheduled to arrive at the farm today for the Easter holiday were their four grandchildren and their parents, Army Maj. and Mrs. John Eisenhower.

The President, who expects to return to Washington Monday afternoon, plans to get in some work over the weekend on two speeches he will make next week.

With Parents' OK

Judge Rules: Baby Sitter May Spank

PHILADELPHIA (AP) — A baby sitter may thrash a child just as its parents would, if the sitter has their permission, Judge A. A. Nelson has decided.

Judge Nelson, a Cambria County jurist substituting here, freed Josephine Dydak, 23, Thursday on charges of beating a 5-year-old girl with a strap last Aug. 25.

Doris Di Blasi testified she gave Mrs. Dydak permission to use a strap to discipline her daughter, Theresa. The mother said the girl was stubborn and obstinate and at times uncontrollable.

The thrashing took place on Aug. 25. The next day a neighbor noticed Theresa wince while playing with other children. The neighbor called police who took Theresa to a hospital for treatment and arrested Mrs. Dydak.

Nation's Oldest Triplets 91 Today

FRAMINGHAM, Mass. (AP) — Faith, Hope and Charity, the nation's oldest triplets, today celebrated their 91st birthday.

They are Annie Faith MacDonnell, Ellen Hope Daniels and Nora Charity Murphy, all widows.

They live in Cushing Hospital, which caters to the elderly.

L. W. Miller, Former Lee School Superintendent, Dies

L. W. MILLER

Llewellyn W. Miller, 89, former Lee County superintendent of schools, died at 11 p.m. Thursday in the Mansion Nursing Home.

Mr. Miller was born Feb. 3, 1870, in Willow Creek Township, a son of Samuel B. and Sarah Miller.

He taught in Dixon elementary schools, and served as county superintendent for 30 years, retiring in 1939. Mr. Miller had been a Dixon resident 60 years.

He was a member of Friendship Lodge No. 7, the Retired Teachers Club, the Dixon College Alumni Assn. and formerly was a member of the Dixon Park Board.

He was married Dec. 31, 1896, to Diona C. Russell, who survives.

Also surviving are two sons, Stanley R. Miller, Aurora, and Erman O. Miller, Chicago, a daughter, Mrs. Fred (Elwyna) Fisher, Rockford; three grandchildren; eight great-grandchildren, and a sister, Mrs. Chris Forsyth, Charles City, Iowa.

He was preceded in death by two brothers and two sisters.

Services will be Monday at 2 p.m. in the Preston Funeral Home, the Rev. Harold Dude, pastor of the First Methodist Church, officiating. Interment will be in the Oakwood Cemetery Mausoleum.

Friends may call at the funeral home after noon Saturday.

Open-Heart Surgery Slated Today for Rural Oregon Boy

CHICAGO (AP) — A nine-year-old rural Oregon boy, Richard Travis, was scheduled to have open-heart surgery in University of Illinois Hospital here this afternoon for correction of three heart defects. The operation was scheduled to begin at 1 p.m. and continue for 2½ to 5 hours.

Richard, son of Mr. and Mrs. Verne Travis, Rt. 3, Oregon, was a "blue baby" and previously had had three heart operations. Today's was to be the first of the open-heart type.

Surgeons said the boy's three heart defects are (1) a narrowing of the pulmonary artery, (2) a hole in the wall between the lower chambers and (3) a faulty positioning of the aorta, a major artery.

In the operations, doctors were to use a heart-lung machine which takes over the body's function, permitting surgery to open the heart and correct defects.

The machine is operated by 16 pints of blood. That blood was donated this morning by friends of the Travis family. About 25 donors went to Chicago to provide additional blood if needed. They responded to a call for volunteers two weeks ago.

The operation originally was scheduled March 20, but Richard developed respiratory trouble, and the surgery was postponed until the condition cleared.

Richard's previous operations were in 1953, 1955 and 1957. The heart defects have not permitted his blood to receive a normal amount of oxygen.

Attend the Church of Your Faith Regularly

OF HOPE AND GLADNESS

How eagerly voices proclaim the glad truth—voices young and old; all join the wonderful refrain. Even nature swells the chorus. Flowers burst into bloom, everything speaks of new life and hope.

Practically everyone goes to church Easter Sunday. Almost everyone joins in the singing. Even the hardest heart feels a thrill of hope and gladness. The spirit of joy is contagious. If it could only last!

It can last if you make the Church a part of your life, and yourself a part of the Church. Prayer and Bible study will help you realize that the joy of the resurrection can be yours, not only at Easter, but through every day of every year. The Church needs you, and you need the Church. Accept the Easter message. Make it a vital part of your life. Prove to yourself and others that Jesus Christ has truly risen.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Chevy makes one for you...
and you'll want it for all its worth
The plain fact is Chevrolet builds so many different *kinds* of cars there's one to please just about everyone.
Say you want a stylish, spacious car that combines low initial cost with rock-bottom operating expense. You'll find what you want in the Biscayne 2-Door Sedan—one of the lowest priced of all Chevy models. And you can have Chevrolet's new Hi-Thrift 6 under the hood to stretch and stretch the distance between gas stops.
If, on the other hand, you're looking for a car of utmost elegance, you could hardly make a happier choice than the Chevrolet Impala 4-Door Sport Sedan. And, to go with it, Chevy's velvety V8 power teamed with triple-turbine Turboglide*—one of the finest, smoothest automatic drives offered on any car.
These are just two examples of the dozens of different *kinds* of Chevrolets you can choose from.
It's almost certain—with models ranging from five beautiful, dutiful station wagons to the unique Corvette—that Chevrolet builds your kind of car. Your dealer's waiting to help you pick it out.
*Optional at extra cost
CHEVROLET
The smart switch is to the '59 Chevy!

Your Chevrolet choice includes the Corvette, the Impala Sport Coupe, the Nomad Station Wagon, the Bel Air 4-Door Sedan, El Camino, and the Impala Convertible—all shown above.

The Doctor Says

Most people at one time or another have had an infection around the base of a fingernail.

Q—Please say something about infections at the root of the nails called onychia.—G.

A—This infection of the nail-bed also carries the name paronychia. The infection may be the result of germs or of fungi. The exact cause has to be determined since the treatment is different.

In those cases caused by germs, antibiotics in ointments or taken orally may be needed. Warm, antiseptic soaks are commonly used. Sometimes cutting into the area and drainage may be required. In very severe cases X-ray treatment or removal of the nail may have to be used.

These remarks, of course, refer to the severer types, but most such infections are unpleasant enough to require accurate diagnosis and appropriate treatment. In general, housework, laundrying and similar irritations to the base of the nail have to be avoided.

Q—Could you settle an argument between us women? Is it possible to have a seven - months baby weighing about seven pounds? — F.H.

A—If this question is asked for the reason I think it is, I should prefer not to answer. Why not change to some other argument?

Q—For the past year I have had trouble with my thyroid gland. Although I am nervous and can't seem to relax, the thing that worries me is that my hair is falling out excessively. Will I get completely bald, or does it grow back just as rapidly?—Mrs. S.

A—It is possible for the hair to fall out in the presence of certain glandular disturbances, including those of the thyroid. You should have a basal metabolic test taken and probably other examinations to see if it is trouble with the thyroid which is responsible for your loss of hair.

If the thyroid is not secreting enough of its hormone, it may be that your hair situation can be improved by taking appropriate amounts of thyroid extract.

Q—Please explain the expression "mittelschmerz."—S. B.

A—This is a word of German origin which refers to pain coming between the monthly periods. It is believed to be related to the extrusion of the egg from the ovary — in other words, ovulation — and is a common complaint.

Q — Would you say something about a dead faint? Does the blood pressure go down?—B. Y. O.

A—Fainting is considered to be the result of a temporary lessening of the blood flow in the brain, or at least part of it, which leads to loss of consciousness. It is likely that the blood pressure will drop somewhat for a short time, but it is the blood flow in the brain which is primarily responsible.

Windfall

FORT PAYNE, Ala. (AP) — For several months V. I. Prewett Jr. had contemplated tearing down the top section of a large brick smokestack at his hosiery mill. One of the considerations was the cost—$100. A windstorm settled the affair by toppling the chimney at the desired height.

Ruth Millet

If you want to view real boredom drop in on a teen-age dance.

Whatever else "going steady" has done for teenagers it has turned them into a bored generation. Watching them at play is so dull it is downright depressing.

When a party comes along there's no question about whom a girl will go with. That's all settled. As surely as though she were married, she'll go with her steady date.

And when she gets to the party, she'll dance with him all evening. That's understood. And since dancing with one boy every dance gets kind of tiresome, there'll be a lot of standing around and aimless sitting out of dances.

You won't see any flirting. Teenagers today have a strict code. Flirting with someone else's steady just isn't done.

Even conversation drags. After all, if you've been going steady with the same boy for months and talking to him on the telephone every evening, what is there to say when you get to a party?

If any boys without dates turn up they stand around like lost souls. There are no stag lines anymore—which means there's really no place at a party for stags.

If it's a formal dance are the girls thrilled with their pretty, fluffy dresses? Not much. They've been wearing formals so long the thrill has long since worn off.

Are the boys excited over having dates with pretty girls? Why should they be? Most of them started dating when they were so young their parents had to chauffer them on their dates.

So it's all cut and dried and strictly routine. And it's boring.

Just look at the faces at a teen-age party and you'll be convinced that the steady dating that offers teen-agers security is responsible for a malady that shouldn't afflict the young.

Epistles From a Roman

Roman Describes the Execution of Christ

EDITOR'S NOTE: This is the final article in an Easter series written in the form of daily letters from a Roman officer in Jerusalem to his father in Rome. Although the soldier mocked the Galilean at first, his feelings have undergone great change. Here is the final Easter "Epistle from a Roman."

By TOM HENSHAW
Associated Press Religion Writer

Jerusalem, Judea
16th year of the Caesar Tiberius

Gaius my father,

The Galilean is dead!

He was crucified this day between two common thieves in the place of execution called Golgotha while street scum mocked and taunted him and the black skies were rent by lightning and thunder fairly shook the earth.

And, while the mob hurled jeers and insults and laughing soldiers cast lots for his garments, the tortured Galilean lifted his head and asked — no, implored — pardon for them saying: "Father, forgive them, for they know not what they do."

The Procurator Pilate, the last man who could have saved him, allowed himself to be cowed by the mob's thirst for blood. The Procurator pronounced him faultless yet summoned a bowl of water and washed his hands of the whole affair.

But, I can find it in my heart to understand and forgive the Procurator for, in the words of the Galilean, in his weakness he knew not what he did. But why do I speak of forgiveness? Do strong men forgive? Is forgiveness not a weakness?

The Galilean is dead!

This I know, for I was with the crowd that followed as he carried his cross to the place of execution, bloodied and weakened from scourging, dressed in robes of mock royalty and crowned with a circlet of thorns. Would that I could have helped him in his ordeal..

Watched Him Die

I stood at the foot of the cross as his life expired, when a bolt of lightning splashed the scene with unearthly light and the world rocked beneath our feet as in an earthquake and a centurion of Rome stood stunned and gasped out: "Truly, this was the Son of God."

If only I could have spoken personally with this Galilean, this Jesus, this Christus. If only I could have put to him these questions that now torture me. Must they haunt me the rest of my life?

Now, it is too late.

The Galilean, Jesus, lies in the tomb. His tomb is sealed by a rock, one too heavy to be rolled away by one man or by six men. Soldiers stand guard over the tomb for the priests fear him even in death. What do they fear? That he will arise from the dead?

Disciples Have Scattered

His followers, the 12 — no, 11 — who were his close disciples, have disappeared. Scattered to the four winds. Now I wish I had taken Peter more seriously two days ago when we talked of this man and his teachings. Would that I had given him both ears! Now it is too late.

Or is it? Is it ever too late? If Jesus is the Son of God then he will find some way to show me, some way to answer these questions that burn within me.

But is he the Son of God?

Part of me says no. At Golgotha, a man near me, one of the mockers, shouted at Jesus: "If you are the Son of God, why do you not save yourself as you claim to have saved others?" Indeed, I asked myself the same question. Why did he not save himself?

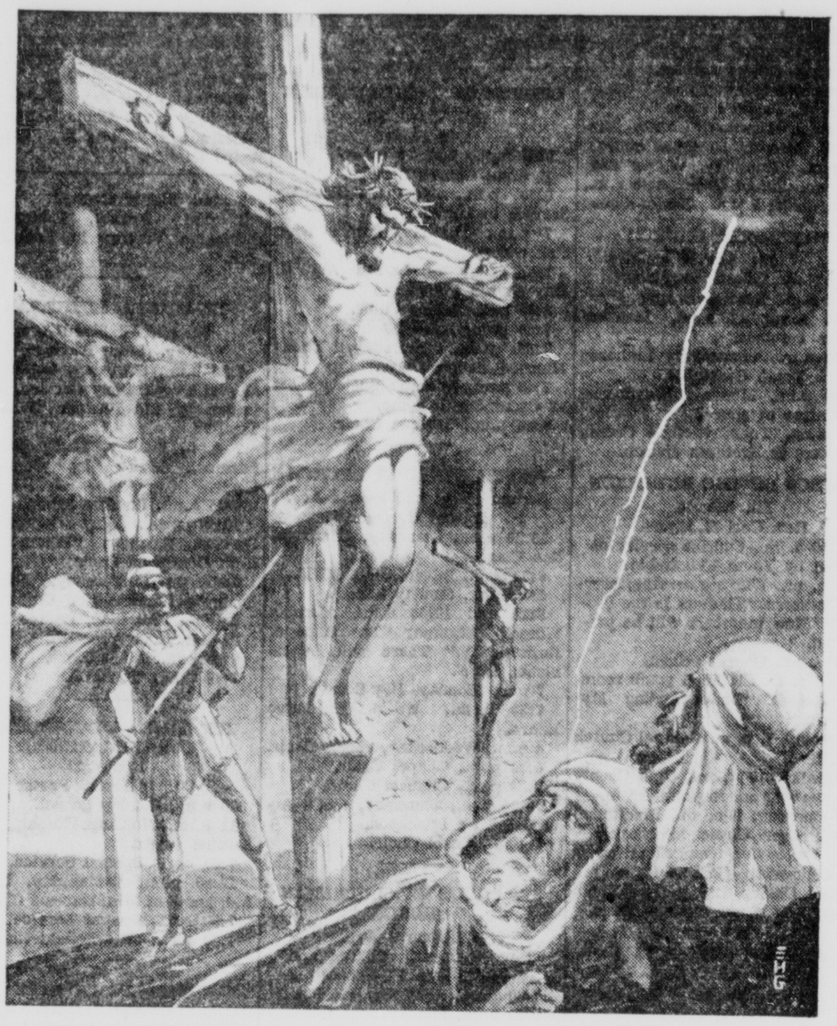
Another part of me says yes, he is the Son of God. Else how does one explain the unearthly spell that surrounds him and affects men's minds? How does one explain the miracles that sincere and honest men say they have seen him perform? Why does he arouse these questions in me?

Waiting for Sign

Peter told me that when I have faith, I shall know. But how shall I have faith unless I know? Others have had signs, Peter, the disciples, even my unbelieving friend Titus. Why have I had no sign?

I think that tomorrow I shall go out to the tomb. If there is to be a sign for me, my father, it now can only be there that it will be given, if not tomorrow then the next day or the next. I do not know what the sign will be. But I shall be there, watching and waiting, waiting.

Valerius, thy son



"I stood at the foot of the cross as his life expired, when a bolt of lightning splashed the scene with unearthly light and the world rocked as in an earthquake. . . ."

So They Say

In a record filled with failures, compromises and concessions that spelled slavery for millions of people, we have preserved one outpost of freedom within the Communist slave empire . . . West Berlin. It must never be surrendered.
—Sen. Thomas J. Dodd (D-Conn).

For the most part, the traffic (in athletic scholarships) constitutes one of the greatest educational swindles ever perpetrated on American youth. Its aim is not the education of that youth but the entertainment of its elders, not the welfare of the athlete but the pleasure of the spectator.
—President A. Whitney Griswold of Yale.

Proud Dixonite Poses Civic Questions

Voice of the People:

Having been a resident of Dixon all my life and very interested in its growth and improvement, even in little things, these thoughts have been in my mind for some time; and I would like to put them forth here in the form of questions and suggestions for others to think about and I hope those in a position to do so, act upon, if they are fairly considered and deemed worthwhile.

1. Why is the street department's budget set up so that any street improvement, such as resurfacing — either tar or gravel or blacktop —is never done till late summer and more often, not till fall? We only get to use them, after they are improved, for about three months till they are covered with ice and snow. Then the next spring they are a mess, full of chuck holes and the gravel has been scraped to the curbs by the snow plow. So we drive all summer on bumpy, dusty streets till fall again. We, the taxpayers, are not getting anywhere near full use of what we are paying for. This work should be done in late spring or very early summer at the latest.

2. Why aren't the traffic lanes on Second Street at the post office and those on North Peoria at Harrison's garage marked off so strangers and Dixonites will know what to do?

3. Why don't we have a sunrise Easter service at the band shell, weather permitting? And why not a lighted Christmas Nativity scene there, sponsored by the churches or the high school?

(NOTE: The Lee County Evangelistic Assn. will conduct an Easter sunrise service in the DHS football stadium at 6 a.m.)

4. Why are there no more fireplaces in Page Park and why is this park left in complete darkness at night? And also why is this park not marked as a picnic area on Galena Avenue and Peoria Avenue for the benefit of tourists?

5. Why are the steps on both sides of the Galena Avenue Bridge at the Chamber of Commerce building never swept? And why is the underpass here never lighted?

6. Why doesn't an advanced Boy Scout troop make a giant totem pole as a project and get permission from the park board to set it up on the north river bank between the two bridges, so that it could be seen from the south bank and the bridges. This also could be illuminated at night.

7. Why are ramshackle, tumbledown boat houses allowed to remain on the north bank of the river above the dam?

8. Why does the swimming pool close by the first of September when we have three for four more good weeks for swimming? At least it could be open on weekends, could it not?

9. Why can't the Peoria Avenue Bridge be resurfaced with hot asphalt blacktop, and on past the high school, north to the intersection?

10. Why does the city spray and sweep the downtown streets only to have the merchants push the debris from their doorways and sidewalks into the clean streets at 8 a.m.?

11. Why is there no direction sign at the interchange of the Franklin Grove Road and the Amboy road regarding our fine airport?

High School Students Visit U. of I. April 4

April 4, will find high school students from all parts of the state traveling to the University of Illinois campus for the annual Home Economics Hospitality Day.

At this time high school students and others interested in attending college will learn about campus life and the home economics program at the U. of I.

Centered around the theme "Design Your Future," the day's activities will begin at 8:30 a. m. with registration in Lincoln Hall. The program will begin at 9:30 a. m., when students and staff will give information about student activities, housing, social life, scholarships, finances and careers. There will also be a skit depicting views of campus life.

A luncheon, for which students will pre-register, will be held in the University YMCA.

The afternoon program will be in Bevier Hall, the home economics building. Students and guests can tour classrooms and laboratories where they will see displays and demonstrations. They can also get details about such things as housing, costs and curriculum from the College Information Service, a panel of students and faculty.

A tea and style show featuring campus clothes for various occasions will conclude the day's program.

This year both the Home Economics Hospitality Day and the Agricultural Student Guest Days will be April 4, as a part of the Farm and Home Festival, which will be held on April 2, 3 and 4. Hospitality Day and Guest Day are sponsored by the Home Economics and Agricultural Student Councils.

Ring, Stratton Wedding Is Oregon Event

OREGON — Newlyweds Mr. and Mrs. George Stratton have Champaign as their first address. Mrs. Stratton is the former Arlene Ring, daughter of Mr. and Mrs. John Ring, Oregon. Mr. and Mrs. William R. Stratton, the bridegroom's parents, are of Shabbona.

Their recent wedding took place in Oregon's Methodist church, with Rev. Robert A. Daley, chaplain of Wesley Memorial Hospital, Chicago, officiating at the double ring ceremony. Mrs. Chester Landers, Oregon, was nuptial organist and Mrs. Bette Landers, Oregon, soloist.

Evelyn and Kathleen Gailbreath, Bettendorf, Ia., nieces of the bride, were candle lighters.

Chapel Gown

Given in marriage by her father, the bride wore a full flowing chapel gown. The lace bodice had long, tapered sleeves of chantilly lace and an appliqued round neckline on a tulle inset of Chantilly lace and tulle. The overskirt was of lace and tulle. Her illusion fingertip veil was held by a tiara, edged with seed pearls and sequins. She carried a cascade bouquet of red tea roses and white carnations.

Donna Henderson, Oregon, was maid of honor and Gloria Brock, Rockford, niece of the bride, bridesmaid.

The bride's attendant's wore princess style, ballerina frocks of champagne satin. The dresses were designed with scoop necklines, full skirts and cap sleeves. They wore matching gloves and feather hats. Their flowers were rust colored baby pom pons.

Donald Stratton, Aurora, brother of the bridegroom, served as best man and John Stratton, Champaign, another brother, was groomsman. Ushering was done by George Scher and Richard Keough, fraternity brothers of the bridegroom.

The bride's mother wore a brown crepe sheath with matching accessories and the bridegroom's mother wore light blue with white accessories. Their corsages were of white carnations.

Church Reception

A reception, for 125 guests, followed in the church parlors. Miss Geraldine Smith, Chicago, Theresa and Joan Stratton, Shabbona, sisters of the bridegroom, Yvonne Dietz, Chicago, also Mrs. Clifford Ring and Mrs. Earl Ring, Oregon, assisted at the reception.

For traveling the bride wore a mustard colored wool sheath dress with black accessories. A graduate of Oregon Community High School, she was also educated in Wesley Memorial Hospital School of Nursing, which is affiliated with Northwestern University, Evanston.

The bridegroom graduated from Shabbona High School and is furthering his education at the University of Illinois. He is president of the Illinois Forensic Association and vice president of his fraternity, Tau Kappa Epsilon.

Helpful Hints

As women mature, the lines around the eyes seem to multiply. Quite often it is because we take our troubles to bed with us and a sleepless night does little to clear away facial lines. So, the first thing to practice is dismissing worries as much as possible. And during the day rest the eyes by looking out a window into the distance.

Dixon Civic Music Association Completes Plans for Campaign

Activities are many at Dixon Civic Music Assoc. headquarters, in the Westgor Music Store, as pre-campaign week nears its close, 5 p.m. Saturday. The 1959-60 campaign week will be March 30, through April 4.

Campaign workers will attend a 6:30 o'clock dinner Monday evening, in Loveland Community House, and receive added enthusiasm from Mrs. Helen Snyder, Galesburg, regional director of this area, of the Civic Concert Service. Dinner reservations are to be made by 5 p.m. today.

All present members of Dixon Civic Music Association are urged to renew their memberships before pre-campaign week closes. Headquarters are open each day from 10 a.m. until 5 p.m.

MT. MORRIS — Mrs. Raiford Barnes, Melrose Park, is announcing the engagement of her daughter, Norma, to William Beach.

Miss Barnes is teaching Home Economics in the local high school while Beach is teaching social studies in the Junior High School, Mt. Morris.

August 1, has been set for the wedding date.

Beach is the son of Mr. and Mrs. Earl C. Beach, Maywood.

—o—

Aside from the use of an eye solution, a woman can make her eyes sparkle with water. First, dip a soft cloth in hot water and hold it to the eyes. Follow this with a cold application. Usually, in the morning a cold compress to the eyes tightens the skin in that area, chasing away that baggy look.

Defense Raps Murder Trial Prosecutors

INDIANAPOLIS (AP) — A defense lawyer in the love triangle slaying trial of Mrs. Minnie B. (Connie) Nicholas says the prosecution has needlessly delayed the start of testimony by being overly fussy about alternate jurors.

"We could have started testimony today if the state hadn't challenged one of the alternates after we had accepted them both," Joseph F. Quill, one of the 44-year-old divorcee's three attorneys, said after Thursday's session ended.

Quill was critical of the prosecution tactics in excusing all prospective jurors who have any objections to the death penalty. He said this and the state's detailed questions about preconceived opinions could exhaust Monday's special venire of 50 without seating the second alternate.

The trial of Mrs. Nicholas for the pistol slaying of married, wealthy drug firm executive, Forrest Teel, after he jilted her for a younger girl friend opened March 16. A jury of 12 men, all married, was accepted Wednesday after more than a week. But only one of the required two alternates had been accepted tentatively by both sides when this week's special venire was exhausted.

U. S. Resumes Diplomatic Ties With Bulgaria

WASHINGTON (AP) — The United States today resumed full diplomatic relations with Communist Bulgaria.

This ended a nine-year break resulting from Bulgaria's charges the last American minister in Sofia was a spy.

The State Department dropped the long diplomatic boycott after the Bulgarian regime announced it has withdrawn the espionage charges against former Minister Donald Heath.

A Bulgarian government representative noted that his country's Supreme Court on Nov. 6, 1956, annuled prison sentences given persons charged with the alleged spying. Therefore, Bulgaria said "charges against Heath in connection herewith have been withdrawn as groundless."

Says Dalai Lama Fled Red Chinese

TOKYO (AP) — Maharaja Kumar of Sikkim said today that loss of life in the Tibetan revolt has been very heavy but as far as he knows the Dalai Lama escaped from the Chinese Communists.

The young maharaja, son of the ruler of the tiny Himalayan state between India and Tibet, arrived in Tokyo for a Buddhist cultural conference. He said he got his information from official sources just before he left Gangtok, capital of Sikkim.

The Sikkim prince said the Dalai Lama, Tibet's 23-year-old spiritual and political ruler, escaped from his summer palace before the Chinese Reds captured it on Tuesday.

He reported that Red forces began firing on the palace at 1 a.m. Tuesday and kept up a violent barrage until it capitulated.

"No one knows if the Dalai Lama was hit when the Chinese captured the palace," the prince said. "We hope and pray for him. Even if he falls into Chinese hands, we pray no harm will come to him."

Happy Birthday

To Byron LaFever, today.

'Not Interested in National Level'

Stratton Won't Be 1960 Vice-President Candidate

SPRINGFIELD (AP) — Gov. William G. Stratton said Thursday he has "no interest whatsoever" in seeking the vice-presidency or a cabinet position next year.

"Whatever political activities I engage in in the future will not be directed toward that end," he declared.

He did not rule out the possibility he will seek a third term as governor. However, he put off further comment on that until after the current session of the Legislature.

Response to Chapman

Stratton's remarks at a news conference came in response to a speech by Lt. Gov. John W. Chapman Tuesday. Chapman said Stratton was a leading contender for the vice presidential nomination, but if he didn't get it he was assured of a cabinet post in the event of a Republican victory next year.

Scoffing at the idea, Stratton asserted he is "not interested in the national picture."

To Go To Russia

The governor also said he probably will got to Russia in mid-June to participate in a tour with eight other members of the Governor's Conference executive committee.

But he said he doesn't plan to take the entire month-long tour in view of bills which will be up for his signature in the closing days of the legislative session.

Fends Off Tax Query

Stratton fended off questions about the prospect of a sales tax increase at the current session, but repeated there would be no hike in the five cents a gallon gas tax.

"I have been able to pare down virtually all budget requests from code departments," he said, "but that's not where the big money is spent."

He added that a decision on a possible sales tax hike would come only after proposed expenditures for public aid, welfare and school aid— the three biggest items— have been decided.

He said he hoped to bring a "realistic" budget message befor the Assembly by April 15.

Poet Robert Frost Fetes 85th Year

NEW YORK (AP) — Poet Robert Frost, four-time Pulitzer prize winner, celebrated his 85th birthday Thursday.

He was honor guest at a dinner attended by fellow literary lights, including W. H. Auden, Mark Van Doren, Richard Wilbur and Robert Penn Warren.

In a commentary on current events, Frost said: "The moon was made for lovers; now its taken over by science."

Rock 'n' Roll Idol Discharged, Unfit For British Army

LONDON (AP)—Rock 'n' roll singing idol Terry Dene didn't live up to the British army's expectations. He has been discharged as "unfit for service."

Two days after being inducted last January, the 19-year-old singer was in a military hospital with "a severe emotional disturbance." Eleven days after that, he was placed in a civilian mental home. He was discharged Thursday after an examination by a team of army doctors.

2 Youths Fined $200 Each After Chase by Cop

ROCHELLE — Two youths were fined $200 and costs each in justice court Thursday after a police officer was injured when his squad car went out of control as he chased them.

Cecil Cagle, 18, West Brooklyn, was fined on a charge of leaving the scene of an accident, and Cecil Gentry, Rochelle, was fined on a reckless driving charge.

Officer Grantford Brown suffered minor injuries when his squad car skidded into a railroad crossing gate standard.

The car he was chasing had been involved in a minor hit-run accident earlier. Cagle, owner of the car, was driving when the car rammed the rear of one driven by James Kingsbury, 21, Rt. 1, Rochelle. Gentry was driving during the police chase.

Mrs. Collins Heads Cancer Memorials

Announcement has been made that Mrs .C. R. Collins, 315 East Boyd, St., Dixon, secretary of the Lee County chapter, American Cancer Society, is in charge of Cancer Memorials. Anyone interested is asked to contact Mrs. Collins.

A memorial card, acknowledging contributions, regardless of the amount, will be sent according to the request of the donor.

The Illinois Division will expend memorial gifts, effectively for programs of research, education and service.

Red Fishing Fleet Nears Alaska, Sets Off Protests

JUNEAU, Alaska (AP) — A foray by a big Soviet fishing fleet into waters off Alaska's Bristol Bay touched off protests up and down the north Pacific Coast today.

It is the first time that Soviet fishing vessels have appeared in this region.

May Be Futile

The objections, however vociferous, may be futile because the upwards of 50 trawlers and auxiliary vessels are clustered in international waters where ships of all nations have free access.

But the fact the Soviets aren't violating any international law didn't diminish the chorus of concern.

Alaska's acting governor, Hugh J. Wade, called for a four-nation fishing agreement as "absolutely necessary" to bring the Soviet Union into international fisheries control efforts — with the United States, Canada and Japan.

At Vancouver, B.C. the independent United Fishermen and Allied Workers Union called on the Canadian government to ask the USSR to hold back its trawlers.

No Alarm by Navy

The Navy, which has been keeping the Soviet fishing fleet under surveillance as part of routine patrol duties, didn't indicate any alarm.

Rear Adm. Arnold W. McKechnie, commander of the Alaska Sea Frontier and the 17th Naval District at Kodiak, Alaska, said "Their presence in the southeastern Bering Sea is of no particular military concern to us, but of course we are keeping track of what they do. They are in international waters where they have every legal right to be."

Weather . . .

(Continued from page 1)

Saginaw, Mich. Heaviest falls reported in New York state were three inches at Binghamton and more than an inch at Buffalo.

The extensive storm area, centered early this morning in Indiana, was expected to move to the middle Atlantic coastal region by tonight.

Soviets 'Invent' Interpreter, Uses 12 Languages at Once

MOSCOW (AP) — Moscow radio said today the Soviets have built an electronic interpreter that translates a dozen or so conversations simultaneously.

"Conversations are held through microphones, the machine interpreting the discussions into the language required for each speaker," the broadcast said, adding, "10 to 12 pairs of people can converse through the machine simultaneously."

College Fund Drive Called Off: Too Much Money

FT. SCOTT, Ken. (AP)—A campaign for $600 to send the Ft. Scott Junior College debate team to a national forensic tournament at Aberdeen, Wash., has been called off.

Too much money!

Contributors quickly responded with $804. The school board gave another $100 and said it would pick up the tab for gas and oil. Mrs. Kenneth Pollack offered her station wagon to the six debaters and their coach, Kenneth E. Mosier.

Mosier called off the funds drive Thursday. "We don't want to be piggish," he said.

Hotel Changes Name of Room, Hosts Irish Prexy

PHILADELPHIA (AP) — Ireland's President Sean O'Kelly, now touring American, gets a reception today in the Emerald Room of the Barclay Hotel.

All very appropriate, you'd say. What the management of the hotel isn't saying is that it usually is called the English Room.

Easter Breakfast

Dixon Commandery No. 21, Knights Templar will have a 7 a.m., breakfast Sunday, in Dixon Masonic Temple. An Easter Service will follow at 8, conducted by Col. John E. Earle.

All Knights and their families are invited.

DOTTIE DIXON'S DIARY

Glenview VFW Burns

CHICAGO (AP) — Fire raced through the 2½-story brick clubhouse of the Veterans of Foreign Wars in suburban Glenview early today forcing a family of seven to flee into the street.

The family, Mr. and Mrs. Robert A. Walsh and their five children, lived on the top floor of the building, known as The Fort.

Walsh, a volunteer fireman, was awakened by dense smoke pouring through the door of the apartment. He roused his wife and children, and ordering them to clasp hands, led them down the stairs to safety.

Firemen from three Northwest suburbs and the Glenview Naval Air Station fought the blaze for four hours. High winds and a shortage of water hampered their efforts.

Ray Burmeister, Glenview fire chief, estimated damage at $75,000. Cause was not determined.

Willett Remains Critical Today

Mr. Knuth employed for 22 years by the Russell, Burdsall and Ward Bolt and Nut Co., Rock Falls, died Tuesday evening in his home here.

He was born in East Grove Township, Lee County, Nov. 29, 1900, son of Louis J. and Sarah Scully Knuth. He was married to Irma Bentley on July 17, 1923.

Mr. Kunth was a member of St. Mary's Catholic Church, the Holy Name Society and the Black Hawk Fire Fighters.

He was preceded in death by his parents and a sister.

Survivors are his wife; two brothers, Glen F., Sterling, and William G., Amboy, and the sister, Mrs. Brady.

Burial will be in Calvary Cemetery.

Friends may call in the funeral home from noon Saturday until time of services. The Rosary will be recited at 8 p.m. Sunday in the funeral home.

Miss Fannie Stine

MT. MORRIS — Services for Miss Fannie Stine, 74, Mt. Morris, will be Monday at 2 p.m. in Mt. Morris Methodist Church. She died early Wednesday morning in Coolinga, Calif., where she was vacationing in the home of her brother, Raymond Stine.

She was born in Mt. Morris on June 25, 1874, and was a lifelong resident of Mt. Morris. She was employed by the Watt Publishing Co. until her retirement three years ago.

Survivors are a sister, Mrs. Carrie Tice, Mt. Morris, and the brother.

The Rev. Wilbur Hopkins, pastor, will officiate. Burial will be in Silver Creek Cemetery, north of Mt. Morris.

Friends may call Sunday afternoon and evening in the home of her nephew, John Tice, 201 Jefferson St., Oregon.

NY Cops Break Teen Sex Ring

MASTIC BEACH, N.Y. (AP) — Police said today they had broken up a teen-age sex ring started 18 months ago by two girls when one of them was only 10 years old.

5 Boys, 3 Girls

Five boys aged 15 to 17 and three girls, now 12, 15 and 16 met for sex parties mostly in the afternoon after school at their own homes, the homes of relatives or "anyplace they could get," police said.

The 17-year-old boy, Donald Susinno, was charged with second degree rape and ordered held for the grand jury. A 16-year-old boy, Joseph Bonanno, was charged with sodomy, but the charges were dismissed by Justice of the Peace Ulysses W. Johnson in a hearing at Brookhaven Thursday. Brookhaven town detective Cecil Rich said other charges will be filed against Bonanno.

The other boys, all 15, and the two younger girls will be charged with juvenile delinquency, Rich said.

Came to Light

The ring came to light Monday night, Rich said, when the 16-year-old girl who joined the club a month ago broke down and told her father after he noticed she seemed very worried. She is being questioned by police and her name was not revealed.

Rich said more arrests are expected. He said the children, all except Susinno, fellow students in the local high school, came from respectable, average families, and that the parents never allowed their daughters out at night.

"Made the Advances"

He said the two younger girls organized the club and "apparently made most of the advances on dates."

Mastic Beach is in Suffolk County on the eastern end of Long Island.

Card of Thanks

I wish to sincerely thank Father Eve, Father Sherman and the Legion of Mary for their visits and prayers. Thanks to all who sent cards, flowers and gifts to me while in the hospital. Also the blood donors, doctors and nurses. The many acts of kindness shown to me and my family since I have returned home have been greatly appreciated.

Mrs. Alice Rock

I wish to take this opportunity to thank Mr. Loescher for returning the $20 bill I lost.

Nuclear Sub Skate Makes Another Visit to North Pole

WASHINGTON (AP) — The nuclear submarine Skate has made another visit to the North Pole and broken all records for distance and time under arctic ice, the Navy announced today.

The submarine logged 3,090 miles and remained under the ice about 12 days on this trip. The cruise began from the Skate's New London, Conn., base several weeks ago.

During the trip, the Navy said, the Skate came to the surface 10 times, once exactly at the North Pole.

Broke Holes in Ice

The submarine broke holes through the ice cap in order to reach the surface.

The Navy announcement said that this latest exploit of the atomic submarines demonstrated their ability "to operate at any time of the year in polar regions."

Aboard the famous submarine were Cmdr. James F. Calvert and 106 crewmen.

The pioneer submarine Nautilus, which made the first transpolar trip, conducted that voyage in the summer. The Skate also made an under-pole cruise last summer.

Released Explorer's Ashes

At the North Pole, on March 17, the Skate released the ashes of the late Sir Hubert Wilkins, famed polar explorer. He died Dec. 1.

Calvert radioed a message to the Navy which said:

"On March 17, 50 years after Peary, Skate was on the surface at the North Pole. In a solemn memorial ceremony conducted by Skate shortly after surfacing, the ashes of Sir Hubert Wilkins were scattered at the North Pole in accordance with his last wishes."

Commodore Robert E. Peary was the first man to reach the North Pole, on April 6, 1909.

9 Arrested In Cal City Raid Today

CALUMET CITY (AP) — Seven women and two men were arrested early today when a squad of sheriff's police, posing as fun-loving conventioneers, visited two night clubs, The Flame, and The Four Aces.

At The Flame, the officers led by Capt. George Howlett, put wraps on two semi-nude dancers. The dancers were charged with performing lewd acts; two other women were booked on disorderly conduct charges, and Norman Conner, 21, a bartender, was charged with keeping a disorderly house.

In The Four Aces, three women and Manager Harry Hartlerodge, 26, were rounded up. One woman was charged with soliciting for prostitution, two as inmates, and Hartlerodge as keeper of a disorderly house.

Polo Man Hurt In 2-Car Crash

OREGON — Arthur W. Eichholz, Polo, early this morning was injured slightly in a two-car crash on the White Pines blacktop three miles west of Oregon. He was treated at Warmolts Clinic, Oregon.

State Police reported a car driven by Eichholz collided with one driven by Kenneth White, Polo. White was unhurt.

Recruiter Lists Advantages From Career in Army

Sgt. Eldon L. Williamson of the U.S. Army Recruiting Station, 306½ First Ave., Sterling, has outlined advantages of choosing the army as a career.

The sergeant suggested that young men who do not have definite career plans or jobs waiting for them when they complete service in the armed forces consider Army careers, because the Army offers security, travel, responsibility, good pay, a chance to advance, 30-day vacations and free medical and dental care.

Sgt. Williamson said the Army today provides a wide range of opportunities for training in such fields as electronics, mechanics, radar, finance, medicine and many others.

"Best of all," he said, "qualified men may now choose their own military occupational specialty, before enlistment. Under the army's new program a man is completely qualified before enlistment."

The recruiter said statistics show the average civilian, between the ages of 25 and 34, earns an average of $253 a month, and must pay income taxes and buy other services he would get free in the Army.

The Army man in the top enlisted grade, Williamson said, receives a salary worth $8,000 to $10,000 a year for civilians.

The sergeant also cited the chance for education through the Armed Forces Institute and travel to other countries as advantages of an Army career.

Tax . . .

(Continued from page 1)

tax extending work, because of the number of overlapping districts. Only three Lee County townships were not affected.

Today County Clerk Sterling D. Schrock said tax extension here can be begun as soon as Ogle County valuations are received. Schrock said his office is between a month and six weeks behind schedule in its tax work because of the Ogle County holdup.

This probably means that Lee County tax bills will not be sent out until the end of May or later.

The major effect of the tax collecting delay will be felt by taxing bodies that are now, or will soon be making up their budgets. The fiscal year is running out, and most tax supported bodies have used up most of their funds. Many will have to borrow money to continue operating until their tax money is paid.

AF Recovers IRBM Capsule

WASHINGTON (AP) — The Air Force reported today an instrument capsule carried on the test flight of the Thor missile fired Thursday night from Cape Canaveral, Fla., has been recovered.

This is the third time a capsule has been picked up in Thor missile tests, the Air Force said.

Thursday night's firing was aimed at a spot slightly less than the full range of an intermediate range ballistic missile, the Air Force said. The range of an IRBM is about 1,500 miles.

He Likes Big Vehicles, Steals 37-Passenger Bus

PEORIA (AP) — A Peoria man who police say has an urge to drive big vehicles was seized Thursday night after taking a ride in a $40,000, 37-passenger bus.

Henry L. Soderquist, 20, was arrested as he drove the empty Transcontinental bus back to the Peoria bus station.

Police quoted him as saying, "I guess I was drunk." He was charged with drunkenness, disorderly conduct and driving a motor vehicle without the owner's permission.

In 1955, according to police, Soderquist took a joy ride in a big beer truck and also took a dump truck and drove to Florida. No charges were brought in those cases.

Kills Woman

Can't Find Apartment, Goes Berserk

MT. CLEMENS, Mich. (AP) — Joseph Roy Troyer, 38, went apartment hunting last week in Mount Clemens.

The last place he inquired was at a roominghouse where Mary Douglas, 84, a great grandmother, was caretaker. Troyer, the father of two children, says she told him, "Oh, we don't allow children here."

"Guess I Went Berserk"

"I guess I went berserk," Troyer told police Thursday. "It made me mad because I had heard the same thing everyplace. You can have cats and dogs, but no kids.

"I hit her with my open hand and knocked her down. She yelled at me to get out, that she was going to call the police. When she said the word 'police', I went after her.

"I picked up an object and started beating her. I didn't intend to kill her, though."

Dies of Head Injuries

Mrs. Douglas died of head injuries two days later in a hospital.

Troyer, an ex-convict and former grave digger, was arrested after police learned he had visited the house on the day of the attack, March 17. He at first confessed the slaying without giving a motive, then repudiated his statement.

After arraignment on a charge of common law murder, which does not specify degree, Troyer gave police his explanation.

3 Men Lose Right to Drive

SPRINGFIELD — Two Lee Countians and an Ogle County man have been deprived of their drivers licenses because of convictions for driving while intoxicated, according to the most recent list issued by the office of Secretary of State Carpentier.

The secretary revoked the licenses of Melvin J. Murphy, 612 Garden Walk, Dixon; Robert E. Fogelsong, Rt. 3, Amboy, and Alvin E. DeWall, Forreston.

She Wins $750 From Unexpected Bingo Game Hit

PROVIDENCE, R. I. (AP) — Mary C. Thomas, 62, gets $750 for an unexpected hit at a Cranston bingo game.

Mrs. Thomas was hit on the shoulder and hip by a child's rocking chair displayed atop some cartons at the game last July 1.

She sued the United Merchandise Exchange, Inc., and was awarded $750 Wednesday for damages by Superior Court Judge Patrick P. Curran.

Traffic Court

Donald H. Klosterman, 401 S. Galena Ave., Thursday night forfeited $11 and $14 bonds on charges of having no Illinois license plates on his car and speeding. Klosterman failed to appear in police court.

Charles E. Campbell, 908 N. Jefferson Ave., was fined $10 and costs on a speeding fine.

Clippers Will Begin 1959 Track Tryouts

AMBOY—Amboy track coaches Tom Goode and Mick Sullivan will meet the 1959 version of the Clipper track team Monday afternoon when first practice sessions get underway.

Holdovers from last season's squad which finished fourth in the Illowa Conference are four versatile seniors—Ron Kellen, Pete Dukes, Bob Jones and Jack Blaydes. Kellen, who captured first last season in the district competition with a broad jump of 22 feet, also will compete in the hurdles, pole vault, the 220-yard dash and the 880-relay this season.

Dukes will run the 880-yard and mile runs. Jones will compete in the mile relay, the 880 and mile. Blaydes will compete in the shot put, the mile relay, the 880 and the mile.

The Clippers will open their season April 7 with a home triangular meet, hosting Walnut and Newman High School of Sterling. Amboy will come to Dixon on April 9 for a triangular meet with the Dukes and Polo on April 9. Last year Amboy defeated Dixon.

The Illowa Conference championships will be held in Morrison on May 12 this season.

The schedule:

April 7—Walnut, Newman—Home

April 9—Dixon, Polo—Dixon

April 13—Walnut—Home

April 21—Morrison, Erie—Morrison

April 24—Mendota, Hall—Mendota

April 28—Fulton Relays—Fulton

*May 6—Morrison—Morrison
May 9—Districts—Rockford
May 12—Illowa Conference—Morrison.
*Frosh-Soph Conference Championships

Shakeup in Order for Black Hawks

MONTREAL (AP) — The Montreal Canadiens, the scourge of the National Hockey League season, were prohibitive favorites today to flatten the Chicago Blackhawks in short order in their best-of-seven Stanley Cup semifinal playoff.

The goal - happy Canadiens romped to a 5-1 win over the floundering Hawks last night in setting up a 2-0 lead in the series. Little Marcel Bonin again was the man of the moment.

The scrappy little winger supplied two goals — as he did in Tuesday's 4-2 win—and the Hawks found themselves futilely trying to cope with the free-wheeling scoring line of Jean Beliveau, Dickie Moore and opportunist Bonin.

Eric Nesterenko scored for the Hawks after Montreal had taken a 3-0 lead in the first period.

The series now moves to Chicago for the third and fourth games on Saturday and Tuesday.

Penalties hurt the Hawks Thursday night, but their own sluggishness hurt more. They failed to skate with the NHL champions, and compared with their Tuesday night effort were weaker both offensively and defensively.

In two games the Hawks have been outshot by 82-25 and they can't blame harassed goalie Glenn Hall for their ineptness.

Chicago coach Rudy Pilous called a practice for this afternoon on Chicago ice and promised he'll find out what's wrong. Pilous said something must be done to get more mileage out of his big scoring line of Tod Sloan, Eddie Litzenberger and veteran Ted Lindsay.

M. F. Sprunger Will Speak at Amboy Banquet

AMBOY — M. F. Sprunger, assistant executive secretary of the Illinois High School Association, will be the guest speaker at the annual Amboy High School spring athletic banquet Tuesday at 6:30 p.m.

The banquet will honor Amboy's athletes, managers, cheerleaders and athletic officials.

The yearly VFW award for the outstanding Amboy senior athlete-scholar will also be presented at the banquet. Bill Haws, of the VFW, will present the award. Last year co-winners of the award were Bob Halsey and Roger Kuffel.

Otto Stephenitch, president of the Amboy Chamber of Commerce, will serve as toastmaster.

The banquet is open to the public. Tickets are $1.50 and they must be purchased at the high school before Monday.

SF-Indian Ruckus Starts After Power Is Beaned

By The Associated Press

Stu Miller, a curveballer with a three-pitch repertoire called "slow, slower and slower still was the center of a beanball controversy today after toppling Cleveland's Vic Power in an exhibition game.

A Miller pitch hit Power on the head and knocked him unconscious momentarily in the ninth inning of San Francisco's 7-5 victory over the Indians Thursday.

Hot Words Exchanged

Hot words between the managers and a wrestling match between San Francisco's Andre Rodgers and Cleveland's Jim Bolger came in the wake of the incident, which drew these varying comments:

From Miller: "I never threw at anybody in my life. He ducked into the ball."

From Power: "He threw at me and he knows it."

Both Benches Emptied

Rodgers was involved when, following the incident, Bolger slammed into him at second base while breaking up a double-play attempt. While they wrestled, both benches emptied but no punches were thrown. Bolger had gone in as a pinch runner for Power, who was not injured but was taken out just the same. Power was not wearing a protective helmet, as required by most clubs.

In other games, Boston nipped the Chicago Cubs, 4-3, in 11 innings at Scottsdale, Ariz., and in Florida, Cincinnati edged Los Angeles, 2-1; Philadelphia downed Washington, 5-3 at Clearwater; St. Louis whipped Milwaukee, 6-3, at Bradenton; New York defeated Pittsburgh, 7-2, at St. Petersburg; Detroit whipped the Chicago White Sox, 5-2, at Tampa; and Baltimore topped Kansas City, 4-3, in 10 innings at Miami.

Lowly Senators Goal: 70 Victories in 1959

ORLANDO, Fla. (AP) — Cookie Lavagetto has set a goal for his Washington Senators. Not first place. Not even the first division. In fact, he's not pointing at any particular spot in the standings."

"I want to hit a minimum of 70 victories," the swarthy Senator skipper said modestly. "That would give us nine more than last year.

Lost 13 Straight

"I think we can do it. We weren't as bad last year as the record indicates. We played fair ball until the last month of the season when the boys tired badly. I think we lost something like 13 straight in September.

"We have added youth and a little speed in an effort to offset this. I think we will also have a little better bench."

It is clear that Cookie is relying heavily on newcomers Reno Bertoi to make good at third, Ronnie Samford to plug the hole at shortstop and rookie Bob Allison to win a regular outfield berth.

Trade With Detroit

Bertoia and Samford came from Detroit in the trade that sent Eddie Yost and Rocky Bridges to the Tigers. If Allison makes good, Roy Sievers may be switched from left field to first base, according to Lavagetto.

Otherwise, the team is the same as the one which finished in the basement last year. Norm Zauchin is the first baseman, with Herb Plews at second, Bertoia at third and Jose Valdivielso at short. Ken Aspromonte, Bob Malkmus and Harmon Killebrew are the reserves.

Last year's No. 1 rookie Albie Pearson, sidelined with a groin injury, is expected to take over the center field spot upon his return. Bob Lemon, still not fully recovered from a knee operation, is fighting to hold off Allison and Dan Dobbek in the battle for the third outfield post.

Two Catchers Listed

The catchers are Clint Courtney and Eddie FitzGerald.

The club is pitifully shy of pitching. Pete Ramos (14-18) and Camilio Pascual (8-12) are proven big league starters and Dick Hyde was just about the best relief pitcher in the American League last year.

TOUGH COOKIE—Washington Senator manager Cookie Lavagetto makes no mystery of what he wants pitcher Harold Griggs to do during practice sessions at the Senators' Orlando, Fla. spring training camp. Hawks Cry 'Rough-House Tactics'

New Verbal Jabs Fly in Pro Playoffs

ST. PAUL, Minn. (AP)—The stormy National Basketball Assn. playoff between the Minneapolis Lakers and the St. Louis Hawks was deadlocked again today and new verbal jabs flew from both camps.

The Lakers survived a third-period blowup to gain a 108-98 victory Thursday night and knot the Western division final playoff at the two games apiece in the best-of-7 series.

Elgin Baylor's 32 points and defensive job on a superb but tiring Cliff Hagan in the fourth quarter put Minneapolis over the top after the Lakers lost a 19-point lead. Hagan scored 38 points but was held to three in the final quarter.

"What I said earlier this week still goes," said Hawks Coach Ed Macauley. "The Lakers played the same way last night that they did Sunday, pushing and shoving."

Macauley and owner Ben Kerner of the Hawks charged Monday that the Lakers were using roughhouse tactics. The Lakers denied it then and they did the same today.

The Laker-Hawk series resumes Saturday night at St. Louis. Boston and Syracuse, also 2-2 in the Eastern division, play their fifth game Saturday in Boston. They were idle Thursday night.

Delany After 34th Straight Mile Win in Chicago Relays

CHICAGO (AP) — Is the time ripe for Ron Delany to run a four-minute indoor mile?

The Irish Villanova graduate student will shoot for his 34th straight mile victory Saturday night in the Chicago Relays at the International Amphitheater.

Set Mark Last Year

In the same arena and on the same board oval, the 1956 Olympic 1,500-meter champion from Dublin last year set his first indoor mile mark of 4:03.4.

Twice he has lowered it this season — 4:02.5 in the National AAU in New York Feb. 21, and 4:01.4 in the New York Knights of Columbus meet March 7.

Delany, who doesn't fight the clock, was pressed in setting his two recent records by the former Hungarian army officer, Istvan Rozsavolgyi. But Rozy's viza has run out and he will miss the Chicago Relays.

Coleman to Run

Opposing Delany will be Phil Coleman, who has been second to the Irishman in the meet's Banker's Mile the last two years; Ted Wheeler, the 1956 winner in 4:07.5; and Ed Moran, Penn State senior who ran a 4:01.7 outdoor mile in the 1958 National AAU championships.

Moran, who will give up his anchor spot on Penn State's crack two-mile relay team to run the mile, proved his ability on the boards three weeks ago. He won the 1,000-yard run in the IC4A at Madison Square Garden in 2:09.6, an intercollegiate record.

Other main events and top contestants include:

600-yard run — Charles Jenkins, who won in 1957 with 1:11.6 and 1958 with 1:11.3; and Josh Culbreaht, who recently beat Jenkins in 1:10.9.

Bragg in Pole Vault

Pole Vault — Don Bragg, holder of the indoor record of 15-9¼; Eeles Landstrom of Michigan, Finland native who snapped Bragg's nine-meet victory string last week in Cleveland with a 14-9¾ effort.

60-yard high hurdles—defending titlist Hayes Jones of Eastern Michigan, Olympic champion Lee Calhoun, Willie May of Indiana, Big Ten champion.

1,000-yard run — Arnie Sowell, holder of meet record 2:08.7; Tom Murphy, who has beaten Sowell at 880 this season.

Two-mile — Max Truex, whose 8:47.2 in Milwaukee March 9 is second fastest indoor two-mile in history; Lew Steiglitz, who did 8:51.1 in Millrose Games.

50-yard sprint — Ira Murchison, trying for third straight victory in this meet; Tom Tobinson, Michigan sophomore from Bahamas, who tied American 60-yard dash record of :06.1 in the recent Big Ten championships.

Fine Spring Scares White Sox' Pierce

TAMPA, Fla. (AP)—Billy Pierce is having such a good spring it scares him.

The Chicago White Sox pitching ace had his best spring in six years in 1958 and it took him more than a month to register his first victory.

"It seems whenever I have a poor spring," said the boyish looking 32-year-old southpaw, "I wind up with a good year. I got racked up in the spring exhibition games in 1956 and 1957. I was a 20-game winner each year.

"I had high hopes of winning 25 games last year the way I was going during the spring training season. But once the regular season started I couldn't win for losing."

Without a victory in six starts, Pierce finally entered the win column on May 16. Seven straight victories followed. Billy warmed up for his midsummer All-Star appearance by hurling three consecutive shutouts.

"Although I had the second best earned run average in the league (2.68), I was disappointed. I didn't win 20. Once you win 20 you want to win 20 every year. You feel you don't have a good season unless you win 20."

Todd, Fisher Faith

Liz Taylor Is Converted To Judaism

HOLLYWOOD (AP) — Actress Elizabeth Taylor has been converted to Judaism, the faith of her late husband, Mike Todd, and of Eddie Fisher, the handsome singer she is expected to marry.

Although the English-born beauty, formerly a Protestant, apparently had been considering the step for more than two years, her decision caught Hollywood by surprise.

Knew Nothing

Friends and colleagues — even her agent — knew nothing of her conversion and the long studies that preceded it until it was announced late Thursday night in a brief press release issued by Temple Israel of Hollywood.

A spokesman for the Temple, where the ceremony was performed Thursday in the presence of her parents, Mr. and Mrs. Howard Taylor, said the announcement was made at Miss Taylor's request. Conversions are not normally announced, he said.

The 27-year-old actress apparently first decided to embrace the reformed branch of Judaism at the time she married Mike Todd Feb. 2, 1957. Todd, born Avram Goldboggen, was the son of a rabbi.

Intensified Her Desire

Rabbi Max Nussbaum, who conducted the simple rites, said the death of Todd in a plane crash March 22, 1958, intensified her desire to enter the Jewish faith.

"She was a good pupil," the rabbi said. "She has a good understanding of Jewish life and has read extensively in Jewish history. She is very intelligent."

Romance Flared

It was during the period of the actress' studies that her romance with Fisher flared into the headlines. Their widely publicized dates in New York City led to a breakup of Fisher's marriage to Debbie Reynolds and Fisher has been seen constantly with Miss Taylor since his divorce.

Japanese Tries To Burn Seaplane, Commit Suicide

OSAKA, Japan (AP)—A Japanese attempted suicide by trying to set fire today to a seaplane carrying seven persons, police reported.

Police said Fukuichi Yuasa, 37, a charcoal dealer, poured gasoline on the floor of the seaplane as it was flying at 3,300 feet over southwestern Japan. He tried to light a match but passengers subdued him.

The pilot landed the plane and Yuasa was turned over to police. Authorities said Yuasa carried the gasoline board in two wine bottles.

Rub-a-Dub-Dub

NORFOLK, Va. (AP) — Two 12-year-old boys interrupted harbor traffic and brought shivvers to shorebound adults here. They were discovered in the 40-foot deep Elizabeth River channel afloat in a 3 by 6 foot mortar box used by brick masons. The Coast Guard did its duty.

The banana is perhaps the largest plant in existence without a wood stem.

Rural Township Assessors Start Quiz Next Week

SPRINGFIELD (AP) — About 1,600 rural township assessors will start next week to assess personal property for taxation.

They also will get data for a statistical picture of farming in Illinois.

The State Agricultural Department today asked farmers to cooperate in the latter part of the quiz about their crop acreages and livestock numbers.

Since the practice began in 1938, the reports have shown, for instance, that the number of Illinois farms has declined from 213,000 to 168,000 but the average has increased from 147 acres to 182 acres.

Egypt's valley rises about four inches every 100 years due to silt deposits by the annual flooding of the Nile River.

'Uncle Ezra' Dies at 70

HARVARD (AP) — Patrick Barrett, 70, the Uncle Ezra of radio on the WLS National Barn Dance radio show in the 1930s and 1940s, died Wednesday after a long illness.

Barrett and his wife Nora, had appeared in vaudeville as a song and dance team for many years before joining WLS in 1933.

He retired from radio in the early 40s to a farm at Hebron.

To his radio listeners Barrett was known as: "Uncle Ezra, owner and operator of station EZRA, the powerful little five watter in Rosedale, Coles County, Illinois, everybody's home town."

Mrs. Barrett survives. Funeral services will be held in Chicago Saturday.

A bandore is a three-stringed, lutelike musical instrument.

4 Peorians Face April 2 Hearing For Abortion

CHICAGO (AP) — Criminal Court has set April 2 for arraignment of four Peoria residents on charges of conspiracy to commit abortion.

The four, Dr. Richard Rutledge, Carl Schultze, Mrs. Helen Kelso, and Mrs. Lydia Leighton, surrendered in court Thursday and were released under $10,000 bond each.

Three Chicagoans, Frank LaRocca, Dr. Stephen Panzarella, and Michael Campobosso, who were arrested previously are accused along with the four Peorians of involvement in an illegal surgical operation on a suburban Franklin Park woman in Peoria late in February.

Oklahoma Prohibition Is Wavering

OKLAHOMA CITY (AP) — One of the last outposts of prohibition — Oklahoma — is wavering in the face of another drive for legal liquor.

Surveys and vote samplings indicate the state may go wet. But drys are predicting this onslaught will be defeated as were six previous repeal attempts.

Oklahomans vote April 7 on changing the state constitution to allow privately owned package stores. They also vote whether to turn the entire state wet or leave that decision to individual counties.

Campaigns are being waged vigorously by the Oklahoma United Dry Assn., and the United Oklahomans For Repeal.

Dr. Sam Scantlan, executive director of the dry group, said: "Oklahoma mothers are becoming alarmed about the safety of their children. They know that more people will be killed under repeal and that their own children will be subjected to new dangers if the liquor interests should win."

Independence, Mo., was the starting point of the Santa Fe Trail in 1831 and of the Old Oregon Trail in 1843.

Cancer Society Funds Asked to Test 'Krebiozen'

NEW YORK (AP) — The American Cancer Society said today it has been asked to allocate $350,000 of its funds toward adding to the supply of the controversial cancer drug "Krebiozen."

The society said it received a request for funds in a letter dated March 4 from John M. Davis, president of the Committee for a Fair Test of Krebiozen in Chicago.

Mefford R. Runyon, the society's executive vice president, told Davis in an answering letter it was urgent that the Krebiozen Research Foundation accept a neutral, "scientific" test of the drug as proposed by the National Cancer Institute.

Newsman Says Vast Purge Now Being Made in Iraq

BEIRUT, Lebanon (AP) — A vast purge of army officers and government personnel in Iraq is reported by an American broadcaster just kicked out of the country.

Winston Burdett of the Columbia Broadcasting System said on arrival here Thursday that Baghdad prisons were filled "until there is no more room in them for all the political detainees."

Burdett implied that the purge threatens what efficiency was left in the Iraqi government and army after the cleanout last summer of partisans of the pro-Western monarchy and assassination of Premier Nuri Said. He said the latest wave of dismissals and arrests has decimated the corps of army officers and depleted the ranks of government personnel.

Premier Abdel Karim Kassem has lost control of the situation, the American correspondent reported. While Kassem speaks as a man of moderation, Burdett said, "his own people's court acts like an independent branch of government, ignoring his leadership."

Burdett was one of three American newsmen given less than 12 hours to leave Iraq by the revolutionary regime, which told them only "you have been here long enough."

U. S. Expels Venezuelan Ex-President

MIAMI, Fla. (AP) — Former Venezuelan President Marcos Perez Jimenez, living in exile in a Miami Beach mansion, must leave the country by April 15, the government has declared.

He can go to any country of his choice as far as the United States is concerned.

Whether he will was open to question. His lawyers have filed application with the Immigration Service for delay. A ruling is not expected for 90 days.

The order issued March 13 by Joseph Savoretti, district director of the Immigration Service, applies also to Jerez Jimenez' wife and four children.

Savoretti's order cannot be appealed but Perez Jimenez can ask for reconsideration or additional time.

An attorney for the 44-year-old former Venezuelan leader, David Walters of Miami, said Thursday he already has begun seeking such a delay.

Perez Jimenez was overthrown by a military junta a year ago, 10 years after he led another military group in seizing control of the South American country.

Author Dies

LA JOLLA, Calif. (AP) — Raymond Thornton Chandler, 70, writer of mystery novels, died Thursday of bronchial pneumonia. Chandler's "His Long Goodbye" was selected as the best mystery book of 1954 by the Mystery Writers of America. He was born in Chicago.

Lion Escapes 10 Minutes At NY Circus

NEW YORK (AP)—Peanuts, pink popcorn — and a lion on the loose. The latter was inadvertently served up to about 2,000 persons attending a dress rehearsal Thursday night of the Ringling Bros.-Barnum and Bailey Circus at Madison Square Garden.

Impromptu Act

Putting on an impromptu, and terrifying, act for about 10 minutes was Ponto, heavily maned, 800-pound lion, said to be one of the largest of his species in captivity. He was finally recaptured in the lobby. No one was injured.

Ponto broke through a door of his cage and started roaming around the big arena while a tiger and lion act was in progress.

Into Seats

Temporarily king of all he surveyed, he leaped over the arena rail into a section of seats—which luckily happened to be sparsely populated.

Some spectators stood their ground, not knowing what else to do. Others scattered.

Hans Naumann, the lion's trainer, dashed after Ponto with whip, chair and pistol. Ponto headed for the lobby. It immediately emptied.

Can't Get in Basement

Apparently the huge beast was following the scent to other animals in the basement menagerie. He vainly tried to tear down the locked door to the basement.

Frustrated, he tried to climb onto a telephone booth in the lobby. Men with an aerialist's net cornered him there. With Naumann directing, a cage on rubber tires was wheeled in, and Ponto was safely stored away.

Jail, Fine Ex-Pastor as 'Most Convincing Fraud'

ST. LOUIS (AP) — David W. Taylor, a former Methodist minister, was called "one of the most convincing frauds I have ever seen" by a federal judge who sentenced him to 12 years in prison and fined him $44,000 Thursday.

Taylor, a lawyer and oil promoter, pleaded guilty two weeks ago to defrauding 23 Rhode Island investors of about $135,000. Taylor, of Norman, Okla., was indicted in Providence, R.I., under a federal law allowing a defendant to enter a guilty plea in a court of his choice.

Judge George H. Moore read a report from the Securities and Exchange Commission before sentencing Taylor.

The report said Taylor was a Methodist minister early in World War II but gave up the ministry at the end of the war.

Taylor later used his former church status in promoting oil well schemes, the report said.

Taylor, 39, is the father of two children.

Boy Baby Sitter Kills Infant With Iron Frying Pan

MACON, Ga. (AP) — Bibb County officials are trying to decide what to do about the case of a boy charged with murder in the frying pan slaying of an infant with whom he was baby sitting.

Coroner Lester H. Chapman Thursday swore out a murder warrant against Andrew Howard Jr., 11, following an inquest into the death of Mary Jane Howard, 2.

The boy gave no reason for the attack upon his distant kin, Chapman said. He estimated the child was struck 12 to 15 times with a cast iron skillet.

Carbon Monoxide Fumes Fell 72 Persons 4 Hours

KANAB, Utah (AP) — Carbon monoxide poisoning hospitalized 31 Santa Baroara, Calif., high school students and 41 adult advisers for four hours Thursday in this southwestern Utah community.

The group, members of the Calvary Baptist church in Santa Barbara, was returning by bus after a tour of the church's Navajo missions in northern Arizona.

Bus driver Walter McCully turned on the heater. Officers said it apparently sucked the exhaust fumes into the vehicle.

Hi There,
Neighbor...
I'm your local, independent insurance agent down the street. Just like you, I live here, pay taxes and raise a family. I'm a big-time booster for our home town.
My business is to help folks avoid the risks of everyday living through insurance. I write every type there is...at reasonable rates.
I believe that my product and my service are tops and I'd like some of your business. A call will bring me running.

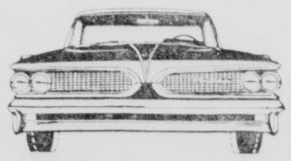
PONTIAC NAMED
CAR OF
THE YEAR
by Motor Trend Magazine
"Pontiac with Wide-Track Wheels is the best combination of ride, handling and performance of any '59 car."
Before you buy any new car you owe it to yourself to road-test the Wide-Track Pontiac. Pontiac's wheels are 5 inches farther apart. This widens the stance, not the car. Gives you a steadier, balanced, road-hugging ride. Come in and drive a Pontiac . . . put it through its paces over any route you please.



THE ONLY CAR WITH WIDE-TRACK WHEELS
